## Service Contracts

Our base level of service is business hours, Monday to Friday. We offer the following additional service levels on a site by site basis.

7 day service or 7am – 10pm service	+ \$150 / month
Out of Hours Call Out fee	\$150 per call + \$150 per hour

## Website Data Traffic

For all websites, if maximum data traffic levels are exceeded, then we reserve the right to charge for additional data traffic, or if consistent over 2 months, we may need to reclassify the account level.

Ad hoc Additional Data Traffic	\$10 per GB per month
--------------------------------	-----------------------

Where high data traffic is anticipated, then we can provide an individual quote for this service.

**NOTE:** Where your site incurs a large amount of international data traffic, we may apply additional charges.

## Website Disk Space

For all websites, if maximum disk space levels are exceeded, then we reserve the right to charge for the additional space used, or if consistent over 2 months, we may need to reclassify the account level.

Ad hoc Additional Disk Space	\$3 per 5MB per month
------------------------------	-----------------------

Where high disk space is anticipated, then we can provide an individual quote for this service.
